Room Assignments

ACTIVITY STATIONS

Multi-Purpose Room (2 stations)

SPEAKER AREA

Room 2 (2 stations)

Additional Notes

Short note from school contact regarding room 2 setup.

Before distributing: a few fields in the source submission look like placeholder or test entries (e.g. teacher email "test@test.co," first name "Tranthony," and shorthand like "r2" / "dedupe" / "test2" in the notes). Please confirm the real values with the school contact before this goes out as a final logistics sheet.
